TIGER

First grade aged kids will learn to demonstrate teamwork, explore the outdoors, learn about nutritious eating, and much more!

WOLF

Offers activities that are both fun and educational. In this program, second grade aged kids learn about the outdoors, staying healthy, being a good citizen, and keeping safe.

BEAR

The path to Bear rank is full of opportunities for third grade aged kids to learn new skills, explore their interests, and of course, have plenty of fun along the way!

WEBELOS

Webelos Scouting's main goal is to give fourth grade aged kids a feel for what it's like to be a Scout and to get them used to the Troop structure.
