## **Safety Moment**

### **CPR**

Are you prepared to help in a real and very common crisis—one that could happen at any time? Do you know how to correctly perform cardiopulmonary resuscitation (CPR)?

Heart disease is the No. 1 cause of death in the United States. A heart attack occurs when blood supply to a part of the heart is blocked. More than 800,000 people had a heart attack last year alone. Many heart attack victims develop symptoms outside of a hospital environment, making it important to recognize symptoms of a heart attack and be prepared to respond. A heart attack is one of the most common causes of cardiac arrest. Performing CPR and using an automated external defibrillator (AED) as soon as possible greatly increases the chance of someone surviving cardiac arrest. Everyone should learn these lifesaving techniques.

## News From National

### Scouts BSA has released new guidance for “Using Digital Tools to Strengthen the Merit Badge Experience.”

As new digital resources become available, it's both exciting and challenging to adapt and integrate them into the merit badge program. Technology is always evolving, and Scouting continues to embrace these innovations while holding fast to what makes our program truly meaningful: personal connections, character-building, and the power of mentorship.

Digital tools are here to enhance the merit badge experience, not replace its most important parts. At the heart of every merit badge is one of Scouting's core methods—association with adults. Read that again. The interaction between a Scout and their merit badge counselor fosters growth, accountability, communication skills, and respect.

No app or website can replace a firm handshake, a meaningful conversation, or a mentor's guidance. These human connections are where Scouting's real lessons come to life.

Let's welcome new technologies while preserving what makes Scouting special—the relationships, mentorship, and values that shape young people for life. Please.

Take a deep dive here - <https://tinyurl.com/3efjhtbp>

# COMMISSIONER'S CORNER

## **Scouting U has released the new Diversity, Inclusion, and Belonging Course!**

This updated training replaces the Diversity, Equity, and Inclusion course and fulfills the requirement for Merit Badge Counselors teaching the Citizenship in Society badge.

We encourage all Scouters to take this course to help build a culture where every Scout, volunteer, and employee feels respected, valued, and included.

Access it today through the my.scouting home page under the Volunteer Learn Center.
