

# How to Register for Adventure Weekend

## Step 1 – Visit the Registration Page

Go to [iescouts.org/adventureweekend](https://iescouts.org/adventureweekend) and click "**Register Here**" to begin registration.

## Step 2 – Group Information

Enter the Leader in Charge's name and contact information. You will also be asked to provide:

- Estimated number of tents (to help us assign an appropriately sized campsite)
- Any special notes or information for event staff

## Step 3 – Add Participants

Select the number of:

- Adults/Leaders
- Cub Scouts
- Scouts BSA
- Non-Scout Siblings

Then enter the information for each participant.

**Family Camping:** Cub Scout Packs and Scouts BSA Troops from the same family may camp together. Simply enter the same unit number for everyone you would like grouped together for camping and activities.

## Step 4 – Select Activity Times

Choose one time slot for each Scout for:

- Water Park
- Cub Scout Adventure Activities
- Cub Scout Shooting Sports

Please select only one time in each category per Scout so every participant has an opportunity to enjoy these activities. Adults do not register for Cub Scout Adventure Activities or Shooting Sports, but must register for a Water Park time if accompanying their Scout into the Water Park.

## Step 5 – Review & Pay

Review all participant information, campsite information, and activity selections before completing your secure online payment. A receipt will be sent to the email address provided during payment.

## Need to Make Changes?

Before the registration deadline, you may return to your registration to:

- Update participant information
- Add participants
- Change activity selections (based on availability)
